*Amador Catholic Community:*

*As patriarch of the Seabridge family and the father of your pastor, Thomas Seabridge, it is my pleasure to thank all of you for your expression of love regarding the passing of my beautiful wife, Kay Seabridge. Your many cards of condolence have been received and are deeply appreciated. While Kay and I had not met many of you personally, we felt we knew you through conversations with our son, Father Thomas Seabridge. Kay had a beautiful funeral and was greatly honored by many priests, two Bishops and the attendance of many parishioners and old friends. We are truly blessed and impressed by your wonderful choir that came from the various churches in Amador County. While I may not personally respond to all of your condolence cards, I sincerely appreciate your concern for myself and my family.*

*I also wish to thank you for your loving support of our son Thomas in carrying forth his pastoral duties in your community.*

*While the earth has lost a beautiful, caring and loving human being, Heaven has gained another angel.*

*My love and prayers are with you all.*

*Robert E. Seabridge*
